

HCIE-Cloud Computing V2.0 Exam Outline

Exam Overview

Certification	Exam Code	Exam Name	Language	Duration	Pass Score /Full Score
HCIE-Cloud Computing	H13-531	HCIE-Cloud Computing(Written) V2.0	CHS/ENU	90 min	600/1000
	H13-532	HCIE-Cloud Computing(Lab) V2.0	CHS/ENU	480 min	80/100
	H13-533	HCIE-Cloud Computing(Interview) V2.0	CHS/ENU	60 min	Pass/Fail

Exam Outline

The HCIE-Cloud Computing V2.0 exam covers FusionCloud private cloud solution, FusionSphere server virtualization solution, FusionAccess cloud desktop solution. Based on these solutions, you need to master cloud DC-level operation and O&M, cloud computing backup & DR, cloud computing service migration, cloud computing troubleshooting, cloud computing planning and best practices.

Key Points	Written Percentage	Lab Percentage	Interview Percentage
1.Cloud Computing Operations	35%	50%	25%
2.Cloud Computing OM	15%	20%	15%
3.Cloud Computing Backup and DR	15%	10%	15%
4.Cloud Computing Service Migration	15%	--	15%
5.Cloud Computing Troubleshooting	5%	5%	15%

6.Cloud Computing Plan and Best Practices	15%	15%	15%
---	-----	-----	-----

1. Cloud Computing Operations

1.1 Huawei cloud computing solutions architecture, function, feature, comparison

General knowledge of KVM, OpenStack

1.2 Daily service operations of huawei cloud computing solutions

2. Cloud Computing OM

2.1 General knowledge of cloud computing OM

2.2 Daily OM of huawei cloud computing solutions

3. Cloud Computing Backup and DR

3.1 General knowledge of cloud computing backup and DR

3.2 Backup and DR procedure, product of huawei cloud computing solutions

4. Cloud Computing Service Migration

4.1 Huawei cloud computing service migration procedure

4.2 Rainbow: Huawei cloud computing service migration tool

5. Cloud Computing Troubleshooting

5.1 General knowledge of cloud computing troubleshooting

5.2 Troubleshooting of huawei cloud computing solutions

6. Cloud Computing Plan and Best Practices

6.1 Planning of huawei cloud computing solutions

6.2 Best practices of huawei cloud computing solutions

Note:

The exam content provided here serves only as a general guide to candidates. Other contents not mentioned here may also be included in the actual exam.
